

PetChatz

Love.

From Anywhere.

PetChatz is a Greet & Treat® videophone that allows pet parents the ability to interact with their pet from anywhere.

- Two-way video chats
- Treat dispense
- Aromatherapy
- DOGTV (select locations)

” PetChatz helps remove separation anxiety from you and your pet and gives you more than just peace of mind.
-*The Huffington Post*

” Early flight tomorrow so had to drop Chunk off at his doggie hotel. Thankfully he has a PetChatz camera so we are never apart.
